

## Call for Papers

### Urban and Spatial Economics PhD Student Workshop June 2<sup>nd</sup>, 2025

We would like to encourage all PhD students that are working on topics related to urban economics or spatial economics in a broad sense to submit a paper or extended abstract to this workshop. **Work in progress and preliminary work is welcome as long as you submit an abstract describing the research project and you have made enough progress by the time of the workshop for a short presentation.** Each paper will be discussed by a faculty member at the Helsinki GSE or another senior researcher affiliated to the Urban Economics research group. We plan on including both short (10-15 min.) and long (20-30 min.) presentations. The workshop will be on-site at the Aalto University Otaniemi campus on **June 2<sup>nd</sup>**.

Submit your paper or extended abstract **by May 12<sup>th</sup>** through this form:

<https://forms.fillout.com/t/bg7YC7YaVRus>

If you have any questions or comments, please contact Pablo Warnes (pablo.warnes@aalto.fi).

Organisers: Prottoy Akbar, Amanda Ang, Tuukka Saarimaa, Pablo Warnes.
